> Re: Shooting of Lee Harvey Oswald Interview of Harold Dawson

81--

Harold Dawson was interviewed at 1:40pm on Hovember 29, 1965 by Lieutenante C. C. Wallace and P. G. McCaghren. Dawson added the following to his criginal reports

I have re-read the statement I made Bovenber 27, 1963. The only correction I would like to make is in the time element, which cocured approximately 30 or 40 minutes earlier than I originally stated.

is approximately likely the dispatched to the basement of the City Bail by it. Smart to act as security for Lee Owneld. When we got to the basement, we waited in the jail corridor approximately 13 minutes, but the mart that Owneld was on his way down, and there were completely only the properties of the corridor, but the way to the control of the corridor, so that in one could come in behind as. Ho can teld as to close the doors.

When he was shot, I was at the same place. I heard the shot, but I couldn't see him or the man who shot him.

I would also like to add that I know Jack Ruby by eight and would recognize him if I eaw him, but I have not eeen him in the City Hall.

I have talked to Federal Bureau of Investigation igent Carleon, and I explained to him that I had guessed at the time in my original report, and was probably in error.

Respectfully submitted,

C. C. Wallace, Lieutenant Juvenile Bureau

P. G. HoCaghren, Meutenant Burglary & Theft Bureau
